### **Old Business:**

Horty reported that he has not found any good sales for a replacement club BBQ. Bill reported not having time to look. Alan offered a free BBQ that will be tried out at the next fly-in.

No one was present to provide an update of the PIN box project status.

The Secretary provided samples of the color decals printed locally. They cost 75 cents each.

The samples were given to the members in attendance.

A motion was made and approved to have the club purchase 50 regular and 20 in reverse. (for inside glass) A special thanks to Bob Stedham who donated \$20 towards the purchase of the decals. The decals will later be provided to club members.

President Anderson advised Awards West quoted prices for replacement hat patches. (shipping extra)  
\$2.20 each for 100      \$1.90 each for 200

Motion was made and approved to purchase 100.

President Anderson reported the replacement roller for the club lawn mower has been ordered from Power Sports and should be in any day.

No progress was reported on a location for an in door fun fly.

### **New Business:**

Elected Officers – Motion and approved to accept as nominated.

President	Dick Anderson
Vice-President	Horty Fisher
Secretary	Rob Withey
Treasurer	Dave Clevenger
Safety Officer	Alan Piercy
Board Member	Bob Stedham

Treasurer Clevenger provided the Herren Field rent check to Alan to deliver to Mrs. Herren.

Bill requested the club consider creating a club information flyer similar to a sample he brought in from another area club. The Secretary advised he would work on a draft to be reviewed at the next meeting.

Bill brought in samples of hinging Depron control surfaces with "UHU" glue available in tubes from Michaels craft stores. He cut 45 degree angles then butted them together and ran a bead of glue in the joint.

Steve asked that a AMA dues reminder be sent to the membership. The Secretary will include a reminder of AMA and club dues in the January 2011 newsletter.

The Secretary mentioned that last year Treasurer Clevenger asked the group to evaluate if a raise in club dues was needed. It was decided then to evaluate again after one year. Treasurer Clevenger reported the accounts look good for now. It was decided to re-examine the need at the September 2011 meeting.

President Anderson created the 2011 event schedule as follows:

**Good of the Order:**

Horty Fisher brought in his new colorful plane. It is a Steven's Aero Model "Toon Scale" FredE.

It had it's maiden flight on New Years Day!

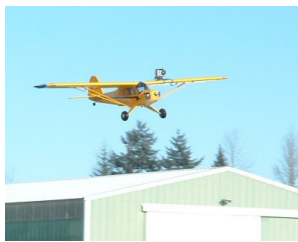

Alan shared information on the status of his large scale project and mentioned that he recently spoke with Galen Skeem. Galen is back in the area and hopes to fly soon!

Earle asked about anyone being interested in being a club flight instructor. It was discussed that there were not many requests during the year and there was concerns over the instructor's liability for the student's plane.
